Mark Pritchard MP: Princess Royal Hospital Petition

The Petition of residents of the Borough of Telford & Wrekin and others, declares the Petitioners' serious concerns about plans for The Shrewsbury and Telford Hospital NHS Trust to cut local health services from the Princess Royal Hospital, Telford. The Petitioners further declare that these cuts aim to generate financial savings alone, and do not fully take into account local clinical and medical needs.

The Petitioners therefore request that the House of Commons urge the Secretary of State for Health to use her powers to reverse the proposed plans.
